Dear Parent/Guardian/Students and Yakutat Community Members: Greetings!

Yakutat School District's annual report cards to the public are enclosed. There are three report cards as follows:

- | | | |
|----|---------------------------------|------|
| 1. | Yakutat Elementary School | K-6 |
| 2. | Yakutat Jr. and Sr. High School | 7-12 |
| 3. | Yakutat School District | K-12 |

There are numerous categories marked with (****) due to low student numbers for confidentiality purposes.

It is vital that parents form a strong partnership with the school and their child's teacher(s). Check with the office to schedule a meeting with teachers to discuss the academic well-being of your child. If you have any questions about the **Yakutat School District's annual report cards to the public**, please stop by my office

Parents are urged to help their children succeed by keeping track of their progress in their individual classes through our student information system, **PowerSchool**. If you have not received a **PowerSchool** code to access your child's grades please stop by the office. Daily assistance is available to students at **Homework Club** on Monday through Thursday from 3:15-4:30 PM in the library. This to get additional assistance on their class assignments.

I invite you to participate on the following committees. I encourage each of you to be part of the **Yakutat School District continual improvement process** by joining a committee and being a voice for education in our community.

1. The **School Board Policy Committee** will meet each Thursday at 7:00 AM in the library. We will be reviewing Section 5000: Students.
2. We are developing the **Health/PE Curriculum** for grades K-12. The next committee meeting is scheduled for Monday, November 2 at 3:30 PM in my office.
3. **Crisis Plan Committee** has been meeting each Tuesday at 7:00 AM at the high school. We ordered three AED's (Automated Defibrillators) as part of our crisis plan. They will be installed in the YES gym, YHS gym and in the Construction Trades Building (Wood Shop).

During the 2nd semester we will be developing our **Five-year Strategic Plan**. Please watch for upcoming information. It would be fantastic to have parents, students and community members help develop our school district road map for the years ahead.

We are planning a **K-12th Career Fair** on Friday April 9 in the high school gym for all students. If you would like to help our students plan for life after high school please call or stop by my office.

Also please mark your calendar with the annual **Alaska Health Fair** sponsored by the Yakutat Chapter of the National Honor Society on Saturday, April 10.

If you have any questions or have ideas on how we can make our schools better, please stop by my office. I welcome your visit. Have a nice day!

Respectfully,

Rod Schug
Superintendent/Principal

National Assessment of Education Progress (NAEP)

The National Assessment of Educational Progress (NAEP) is the only national test of what students know and can do. The No Child Left Behind Act of 2001 mandated state participation in NAEP reading and mathematics assessments in grades 4 and 8 every other year so that NAEP could serve as the common measure of student achievement.

NAEP does not test each fourth or eighth grader in the state. A representative sample of schools is chosen to participate in the NAEP. No NAEP individual results are given for students or schools; only statewide results are reported. NAEP scores can be used to compare Alaska to the nation and to other states.

NAEP assessments are designed to assess NAEP standards, also known as NAEP frameworks. NAEP does not assess students on the Alaska standards (grade level expectations). Alaska Standards Based Assessments (SBAs) are designed to assess Alaska Grade Level Expectations, and SBAs are administered to all students. More information about the NAEP in Alaska can be found in <http://www.eed.state.ak.us/tls/assessment/naep.html>.

There are three achievement levels for each grade assessed by NAEP: *Basic*, *Proficient*, and *Advanced*. *Proficient* on the NAEP indicates students “have demonstrated competency over challenging subject matter.” The following definitions apply to all subjects and all grades assessed by NAEP:

Achievement-Level Policy Definitions	
<i>Basic</i>	Partial mastery of prerequisite knowledge and skills that are fundamental for proficient work at each grade.
<i>Proficient</i>	Solid academic performance for each grade assessed. Students reaching this level have demonstrated competency over challenging subject matter, including subject-matter knowledge, application of such knowledge to real-world situations, and analytical skills appropriate to the subject matter.
<i>Advanced</i>	Superior performance.

The most recent data available for NAEP reading and mathematics is from the 2007 administration. Results from the 2009 test administration will be reported for the 2009-2010 report card.

The charts on the following pages show how Alaska students’ scores on the 2007 NAEP assessments compared to the public school students’ scores nationally.
